

ADDENDUM #3

April 4, 2013

IFB 13-11 NUTLEY & COURTHOUSE TRAFFIC SIGNAL RECONSTRUCTION

*******ATTENTION BIDDERS*******

(To be completed and returned with bid response)

1. Q: Line Items 51 & 52 of the bid form cover right of way and construction easements. Note #9 on the bottom of the bid form state that ROW and Easements will be provide by the property owner at no charge. Are these line items necessary if ROW and Easements are provided? Or is the contractor required to obtain ROW and construction easements?

A: All ROW and easements have been obtained.

2. Q: Will the telephone lines that must be relocated be paid for by the Town to the Phone Company or is the contractor required to pay for those relocated lines? Please advise.

A; Contractor is required to account for the cost per item #51

3. Q: Is the contractor expected to pay all fees for providing communication/power to the Traffic Signal once the new signal infrastructure is installed? Please advise.

A: Yes, but it is not anticipated that change or upgrade in power service is required.

Change to Section D, 4.11 Construction Schedule:

4.11.1: The Contractor shall complete all work within 120 days. **A time extension will be considered for any unusual delays in delivery of materials.**

Changes to Section B: MANDATORY TERMS, CONDITIONS AND SPECIFICATIONS

Page B-2 #5. Add: *a.
