7. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS

A. GENERAL REQUIREMENTS

1. RFP RESPONSE: In order to be considered for selection, Offerors must submit a complete response to this RFP. One (1) original and four (4) copies of each proposal must be submitted to the Purchasing Office. No other distribution of proposals shall be made by the Offeror.
2. PROPOSAL PREPARATION: Proposals must be signed by an authorized representative of the Offeror. All information requested must be submitted. Failure to submit all information requested may result in the Purchasing Agent requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the Town at its discretion. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be on completeness and clarity of context. Each copy of the proposal should be bound in a single volume.
3. ORAL PRESENTATION: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the Evaluation Committee. This will provide an opportunity for the offeror to clarify or elaborate on the proposal, but will in no way change the original proposal. The Purchasing Agent will schedule the date, time and location of these presentations. Oral presentations are an option and may not be conducted. Therefore, proposals should be complete.

B. SPECIFIC REQUIREMENTS

1. Proposals should be as thorough and detailed as possible so that the Evaluation Committee may properly evaluate the Offeror's capabilities to provide the required services. Offerors are required to submit the following as a complete proposal:

RFP 14-03
COMMISSIONING SERVICES FOR THE VIENNA COMMUNITY CENTER
EXPANSION AND RENOVATION

- b. References
- c. A written narrative statement to include:
 - 1. Describe how the needs of the Town shall be met according to the requirements listed in the Scope of Work.

 - 3. Vendors shall discuss their philosophy, process and expertise in completing the project to include similar projects recently completed.

8. AWARD OF CONTRACT

The Town of Vienna Evaluation Committee shall engage in individual discussions with two (2) or more of the Offerors deemed fully qualified by the Evaluation Committee. Repetitive informal interviews shall be permissible. Such Offerors shall be encouraged to elaborate on their qualifications and performance data or staff qualifications pertinent to the proposed project, as well as alternate concepts.

At the discussion stage, the Town may discuss non-binding estimates of total project costs including, but not limited to non-binding estimates of cost of services. ***Hourly Rates, Scope of Services Proposal, Project Schedule and Hourly Breakdown of Services will be required prior to the award of the contract.***

Proprietary information from competing Offerors shall not be disclosed to the public or to the competitors.

At the conclusion of the informal interviews, on the basis of evaluation factors published in the Request for Proposals and all information developed in the selection process to this point, the Evaluation Committee, shall select, in the order of preference, two or more Offerors whose professional qualifications and proposed services are deemed more meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Town of Vienna can be negotiated at a price considered fair and reasonable, the Town Council shall be advised and make the award to that offeror. Otherwise, negotiations

with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price.

Should the Evaluation Committee determine in writing that only one (1) offeror is fully qualified, or that one (1) offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that Offeror.

The award will be made to the responsible Offeror whose proposal, conforming to the solicitation, is the most advantageous and represents the best value to the Town of Vienna, costs and other factors considered.

The Town, as a municipal corporation of the Commonwealth of Virginia, is obligated and bound by the terms of this Agreement only to the extent that funds are lawfully appropriated therefore and are allocated and available to pay its obligations hereunder. In the event that and at such time as funds have not been appropriated or are not allocated and available to pay the Town's obligations under this Agreement, then the Town shall not be liable for any obligation to pay for the services referred to in this Agreement.

It is expressly agreed and understood that the selected firm is in all respects an independent Contractor as to work and is in no respect any agent, servant, or employee of the Town. The contract specifies the work to be done by the firm, but the method to be employed to accomplish the work shall be the responsibility of the firm.

9. SPECIAL TERMS AND CONDITIONS

Precedence of Terms: In the event that there is a conflict between the General Terms and Conditions and any Special Terms and Conditions used in this section, the Special Terms and Conditions shall apply.

12. **DELIVERY:** Bids must show number of days required to place material in using agency's receiving area under normal conditions. Proposal must show the number of days required to provide the services/reports as specified.

Failure to state delivery time obligates bidder/offeror to complete delivery in fourteen (14) calendar days or as specified. A five (5) day difference in delivery promise may break a tie bid. An unrealistically short or long delivery promise may cause a bid/offer to be disregarded. Consistent

failure to meet delivery promise without valid reason may cause removal from bid list. Delivery shall be made during normal working hours, 8:00 am to 4:30 pm Monday through Friday, unless prior approval for another time period has been obtained from Consignee.

13. **DEFAULT:** In case of failure to deliver goods/services in accordance with the contractual terms and conditions, the Town of Vienna, Virginia, after due oral or written notice, may procure them from other sources and hold the defaulting Contractor responsible for any resulting additional purchase and administrative costs. 16. **RIGHTS OF THE TOWN OF VIENNA:** The Town reserves the right to accept or reject all or any part of bids/proposals, waive minor technicalities/informalities and award the contract to the lowest responsive and responsible bidder or most qualified and best suited offeror to best serve the interest of the Town.
17. **ANTI-TRUST:** By entering into a contract, the bidder/offeror conveys, sells, assigns, and transfers to the Town of Vienna all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Town of Vienna under said contract. Consistent and continued tie bidding could cause rejection of bids by the Purchasing Agent and/or investigation for Anti-Trust violations.
18. **INDEMNIFICATION:** The Contractor agrees to indemnify, defend and hold harmless the Town of Vienna, Virginia, its officers, agents, and employees from any claim, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the contractor or any services of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence of the using department or to failure of the using department to use the materials, goods or equipment in the manner already and permanently described by the contractor on the materials, goods or equipment delivered. The vendor agrees to protect the Town from claims involving infringement of patent or copyrights.
19. **TIE BIDS:** If there is a tie for low bid and all other considerations are equal, and if the public interest will not permit the delay of re-advertising for bids, the award shall be determined by drawing lots in public.
20. **PROHIBITION AS SUBCONTRACTORS UNDER COMPETITIVE SEALED BIDDING:** No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
