- C. The size, make and model, and serial number of all meter equipment will be notated after completing the physical inspection.
- D. Locate, identify, map, and value (cost or replacement cost new less depreciation) all the taxable pipelines in Eddy County.

Task 2 – Valuation, going back up to ten prior years, of all locally assessed taxable oil and gas equipment, which includes natural gas processing plants, treating facilities and pipelines.

- A. The valuation of the pipelines is based on information supplied to the County Assessor's Office and any other reliable source of information.
- B. Provide an equipment listing to the Eddy County Assessor in Microsoft Excel format and a manual used for valuation of oil and gas equipment.
- C. Provide expert testimony on behalf of Eddy County at all proceedings on values determined during the project and as needed for litigation at Eddy County Protest Board, New Mexico Property Taxation Board, District Court, and New Mexico Supreme Court.

The County reserves the right to extend this contract, on an annual basis (or any portion thereof) and by mutual agreement, for up to three (3) additional years for annual updates. APPENDIX B

EDDY COUNTY EDDY COUNTY ASSESSOR'S Oil & Gas Personal Property Audit

AGREEMENT A-16-11

THIS AGREEMENT is made and entered into by and between the County of Eddy, HUMAN RESOURCES DEPARTMENT, hereinafter referred to as the "County" and _____, hereinafter referred to as the "Contractor", and is effective as of the date set forth below upon which it is executed by the Board of County Commissioners.

IT IS AGREED BETWEEN THE PARTIES:

1. Scope of Work.

The Contractor shall perform the work outlined in the Scope of Work attached hereto as **Attachment 1** and incorporated herein by reference.

2. Compensation.

A. The County shall pay to the Contractor in full payment for services satisfactorily performed [at the rate of] _____ dollars (\$_____) [per hour (OR BASED UPON DELIVERABLES, MILESTONES, BUDGET, ETC.)], such compensation not to exceed (AMOUNT), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Agreement totaling (AMOUNT) shall be paid by the County to the Contractor. The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the County when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to, Scope of Work. All invoices MUST BE received by the County no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the County finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall

provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the County that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the County shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

D. The payment of taxes due for any money received under this Agreement shall be the Contractor's sole responsibility and shall be reported under the Contractor's Federal and State tax identification number(s).

3. Term.

This Agreement shall terminate on [DATE] unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with Section 13-1-150 NMSA 1978, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in Section 13-1-150 NMSA 1978.

4. Termination.

A. Termination. This Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Agreement, the County's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the County is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as determined by the County or if, during the term of this Agreement, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of government funds or due to the Appropriations paragraph herein. THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE COUNTY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.

B. **Termination Management.** Immediately upon receipt by either the County or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the County; 2) comply with all directives issued by the County in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the County shall direct for the protection, preservation, retention or transfer of all property titled to the County and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds

shall become property of the County upon termination and shall be submitted to the County as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Board of County Commissioners for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Board of County Commissioners, this Agreement shall terminate immediately upon written notice being given by the County to the Contractor. The County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the County proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the County and are not employees of the County of Eddy. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of county vehicles, or any other benefits afforded to employees of the County of Eddy as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the County of Eddy unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Assignment.

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the County.

8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the County. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the County. In all cases, the contractor is solely responsible for fulfillment of this Agreement.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the procuring agency of the County, its officers and employees, and the County of Eddy from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the County.

11. Product of Service -- Copyright.

All materials developed or acquired by the Contractor under this Agreement shall become the property of the County of Eddy and shall be delivered to the County no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10 and Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with Section 10-16-4.3 NMSA 1978, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any County employee while such employee was or is employed by the County and participating directly or indirectly in the County's contracting process;

2) this Agreement complies with Section 10-16-7(B) NMSA 1978 because (i) the Contractor is not a public officer or employee of the County; (ii) the Contractor is not a member of the family of a public officer or employee of the County; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the County, a member of the family of a public officer or employee of the County, or a business in which a public officer or employee of the County or the family of a public officer or employee of the County has a substantial interest, public notice was given as required by Section 10-16-7(B) NMSA 1978 and this Agreement was awarded pursuant to a competitive process;

3) in accordance with Section 10-16-8(C) NMSA 1978, (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the County within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public officer or employee of the County whose official act, while in County employment, directly resulted in the County's making this Agreement;

4) in accordance with Section 10-16-13 NMSA 1978, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

5) in accordance with Section 10-16-3 and Section 10-16-13.3 NMSA 1978, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the County.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the County relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the County if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the County and notwithstanding anything in the Agreement to the contrary, the County may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the County proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

15. Penalties for violation of law.

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

16. Equal Opportunity Compliance.

The Contractor agrees to abide by all federal, state and county laws and rules and regulations, pertaining to equal employment opportunity. In accordance with all such laws, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. Applicable Law.

The laws of the State of New Mexico shall govern this Agreement and shall be enforceable in the Fifth Judicial District Court in Eddy County. By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

18. Worker's Compensation.

The Contractor agrees to comply with state laws and rules applicable to worker's compensation benefits for its employees. If the Contractor fails to comply with the Worker's Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the County.

19. Records and Financial Audit.

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the County, the Department of Finance and Administration, and the State Auditor. The County shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the County to recover excessive or illegal payments

20. Disclaimer and Hold Harmless.

Eddy County shall not be liable to the Contractor, or the Contractor's successors, heirs, administrators, or assigns, for any loss, damage, or injury, whether to Contractor's person or property, occurring in connection with Contractor's performance of Contractor's duties according to this Agreement. Contractor shall hold Eddy County harmless from all loss, damage, and injury, including court costs and attorney fees, incurred by Eddy County in connection with the performance by Contractor of Contractor's duties according to this Agreement.

21. Indemnification.

The Contractor shall defend, indemnify and hold harmless the County of Eddy from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the County of Eddy and the New Mexico Association of Counties by certified mail.

22. Invalid Term or Condition.

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

23. Enforcement of Agreement.

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

24. Authority.

The individual(s) signing this Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

25. Approval of Contractor Personnel.

Personnel proposed in the Contractor's written proposal to the County are considered material to any work performed under this Agreement. No changes of personnel will be made by the Contractor without prior written consent of the procuring agency of the County. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The procuring agency of the County shall retain the right to request the removal of any of the Contractor's personnel at any time.

26. Limit of Liability.

The contractor's liability to the County for any cause whatsoever shall be limited to the purchase price paid to the contractor for the products and services that are the subject of County's claim. In no event will the contractor be liable for any damages resulting from loss of data or use, lost profits or any incidental or consequential damages.

27. Survival.

The agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification"; "Indemnification"; and "Limit of Liability" shall survive the expiration of this agreement. 28. Succession.

This agreement shall extend to and be binding upon the successors and assigns of the parties.

29. Force Majeure.

A party shall be excused from performance under this agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

30. Mediation.

In the event a dispute arises as to the rights and obligations among the parties hereto, the parties agree to attempt to resolve the dispute through mediation as a condition precedent to seeking legal and equitable remedies. The parties agree to evenly split the costs of any such mediation services. The parties shall mutually agree upon the choice of mediator. In the event the parties have not agreed upon a mediator within twenty (20) days of written notice to the other regarding the dispute, then a list of seven potential mediators will be obtained from the New Mexico Association of Counties and the parties shall utilize a striking process until a mediator is agreed upon.

31. Notice to Proceed.

It is expressly understood that this Agreement is not binding upon the County until it is executed by the Board of County Commissioners after voting on the contract at a public meeting or unless it is executed by the Eddy County Manager, if the amount of the contract is \$5,000.00 or less. The Contractor is not to proceed with its obligations under the Agreement until the Contractor has received a fully signed copy of the Agreement.

32. Attorney's Fees.

In the event this Agreement results in dispute, mediation, litigation, or settlement between the parties to this Agreement, the prevailing party of such action shall NOT be entitled to an award of attorneys' fees and court costs.

33. Cooperation.

All parties hereto will fully cooperate with the other and their respective counsel, accountant, and agents in connection with any steps required to be taken under this Agreement.

34. Incorporation and Order of Precedence.

Request for Proposals No. B-16-03 and the contractor's proposal are incorporated by reference into this agreement and are made a part of this agreement. In the event of any conflict among these documents, the following order of precedence shall apply:

1. Any contract amendment(s), in reverse chronological order; then
2. this contract itself; then
3. the Request for Proposals; then
4. the Contractors Best and Final Offer(s), in reverse chronological order; then

5. the contractor's proposal; then
6. the contractor's standard agreement terms and conditions (which may or may not have been submitted as part of the contractor's proposal).

35. Patent, Copyright, Trademark and Trade Secret Indemnification.

A. The contractor shall defend, at its own expense, the County of Eddy against any claim that any product or service provided under this agreement infringes any patent, copyright or trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the County of Eddy based upon the contractor's trade secret infringement relating to any product or service provided under this agreement, the contractor agrees to reimburse the County of Eddy for all costs, attorneys' fees and the amount of the judgment. To qualify for such defense and/or payment, the County of Eddy shall:

- i. give the contractor prompt written notice of any claim;
- ii. allow the contractor to control the defense or settlement of the claim; and
- iii. cooperate with the contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the contractor's opinion is likely to become the subject of a claim of infringement, the contractor shall at its option and expense:

- i. provide a procuring agency of the County the right to continue using the product or service;
- ii. replace or modify the product or service so that it becomes non-infringing; or
- iii. accept the return of the product or service and refund an amount equal to the depreciated value of the returned product or service, less the unpaid portion of the purchase price and any other amounts which are due to the contractor. The contractor's obligation will be void as to any product or service modified by the procuring agency of the County to the extent such modification is the cause of the claim.

37. Contractor's Payment of Property Taxes.

Contractor acknowledges that County has established a policy of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations to mitigate the economic burden otherwise imposed upon County and its taxpayers. Contractor warrants and certifies that it is presently not delinquent in the payment of its property tax obligations, and that it will not become delinquent during the term of this Contract.

38. Termination For Failure to Comply with County's Tax Reduction Policy.

Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure a property tax delinquency within 10 days of notice shall be grounds upon which County may terminate this Contract.

40. Future Reference (Post Review).

Upon completion of all work and the contract is over, there will be a review of all work done by the Contractor and/or any sub-contractors to be kept on file by Eddy County for future use to help ensure the County picks the best potential Offerors and Awardees.

APPENDIX E

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources** must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Contract” means any Agreement for the procurement of items of tangible personal property services, professional services or construction.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Prospective contractor” means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.
