

Addendum 1

---

Section IV, Specifications, includes the following language that was included in RFP B-16-07, Detention Nursing Services, in error:

**“5. Performance Bond**

Offerors must have the ability secure a Performance Bond in favor of the County to insure the Contractor’s performance under the contract. Each engagement will be different, but the option must be available to the Agencies at contract time. A statement of concurrence must be submitted in the Offeror’s proposal.”

The County is removing this language from the Specifications and Evaluation Criteria and Offerors do not have to supply this statement of concurrence.
