SECTION 00300

PROPOSAL AND BID FORM
(Submit in triplicate)

Proposal of: _____ (hereinafter called "Bidder" or "Contractor"), organized and existing under the laws of the State of _____ doing business as a partnership (), corporation (), individual ().

To: COUNTY OF JACKSON, FLORIDA (hereinafter called "Owner").

Gentlemen/Ladies:

The proposal contemplates performing the Work necessary to have a complete and operational system in accordance with all applicable codes and requirements governing the work. Items not specifically listed in the Bid Proposal or Contract Documents, but necessary for proper construction and operation of the system shall be considered to be included in the bid price of the item for which they are associated. No additional compensation will be paid for such items.

The Bidder, in compliance with your invitation for bids for the construction of:

Bowden Hill Road

having examined the Contract Documents and the site of the proposed work, and being familiar with all the conditions surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies, and to construct the project in accordance with the Contract Documents, within the time set forth herein and at the prices stated below.

Bidder hereby agrees to commence Work under this contract within ten (10) days after the date stated in written "Notice to Proceed" from the Owner.

The work will be substantially completed within 45 calendar days after the date when the Contract Times commence to run as provided in the General Conditions, and completed and ready for Final Payment in accordance with the General Conditions within 75 calendar days after the date when the Contract Times commence to run.

The Owner and the Contractor recognize that time is of the essence and that the Owner will suffer financial loss if the work is not completed within the times specified in the paragraph above, plus any extensions thereof allowed in accordance with the General Conditions. It shall be specifically noted that time extensions are granted only for abnormal weather conditions as it relates to rain days. They also recognize the delays, expenses and difficulties involved in proving the actual loss suffered by Owner if the work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay Owner Four Hundred and Fifty no/100 Dollars (\$450.00) for each day that expires after the time specified above for Substantial Completion until the work is substantially complete. In addition, the Owner may also identifiable special, consequential, and/or incidental damages. After Substantial Completion, if Contractor shall neglect, refuse or fail to complete the remaining work within the time specified above for completion and readiness for final payment of any proper extension thereof granted by Owner, Contractor, shall also pay Owner Four Hundred Dollars and no/100 Dollars (\$ 400.00) for each day that expires after the time specified for completion and readiness for final payment.

The unit prices contained in the Bid Schedules shall include all labor, materials, equipment, overhead, profit, insurance, taxes, etc., to cover the finished work of the several kinds called for.

The Bidder understands that the Owner reserves the right to reject any or all bids and to award part(s) of the Contract, if applicable, separately, in combination, or as one Contract. The Owner reserves the right to waive any informalities in the bidding.

The Bidder agrees that this bid shall be good and may not be withdrawn for a period of 60 calendar days after the scheduled closing time for receiving bids.

Addendum 2

BIDDERS NAME _____

Upon receipt of written notice of the acceptance of this Bid, Bidder will execute the formal contract attached within 15 days and deliver a Surety Bond or Bonds as required by the Contract Documents. The Bid Security attached in the sum of Five (5) Percent of the total amount of the Bid is to become the property of the OWNER in the event the Contract and Bond are not executed within the time above set forth, as liquidated damages for the delay and additional expense to the OWNER caused thereby.

By submission of this Bid, each Bidder certifies, and in the case of a joint Bid each party thereto certifies as to his/her own organization, that this Bid has been arrived at independently, without consultation, communication or agreement as to any matter relating to this Bid with any other Bidder or with any competition.

Respectfully submitted,

TRENCH EXCAVATION SAFETY CERTIFICATION

Pursuant to Florida Statutes 553.63, the Contractor or Subcontractor when performing trench excavation in excess of five feet (5') will comply with the following requirements:

- (1) The Contract bid submitted by the contractor who will perform such excavation shall include:
 - a. A reference to the trench safety standards that will be in effect during the period of construction of the project.
 - b. Written assurance by the contractor performing the trench excavation that such contractor will comply with the applicable trench safety standards.

- (2) A contractor perform trench excavation shall:
 - a. As a minimum, comply with the excavation safety standards which are applicable to a project.
 - b. Adhere to any special shoring requirements, if any, of the state or other political subdivisions which may be applicable to such a project.
 - c. If any geotechnical information is available from the owner, the contractor, or otherwise, the contractor performing trench excavation shall consider this information in the contractor's design of the project. This paragraph shall not require the owner to obtain geotechnical information.

- (3) The separate item identifying the cost of compliance with trench safety standards shall be based on the linear feet of trench to be excavated. The separate item for special shoring requirements, if any, shall be based on the square feet of shoring used. Every separate item shall indicate the specific method of compliance as well as the cost of that method.

The contractor shall complete this form and submit it to the owner as a part of the bidding proposal package.

The undersigned, herein called "Bidder", has determined to his/her own complete satisfaction that all portions of the Florida Trench Safety Act (90-96, Laws of Florida) as the OSHA Excavation Safety Standards 29, CFR part 1926.650 Subpart P, will be fully complied with and executed properly on this project.
