

**FAIRVIEW ROAD HMGP  
BOARD OF COUNTY COMMISSIONERS  
JACKSON COUNTY, FLORIDA**

BID # 1617 Eng 4  
FDEM # 4177-14-R

**ADDENDUM 1**

Whenever there is a conflict between this addendum and the initial proposal or plans, the addendum shall take precedence.

Following are questions that were received along with the answers:

Question: Will we be allowed to close Fairview Road during part of the construction?

Answer: Yes, include the time you need to have the road closed on your schedule that is required to be submitted along with each copy of your bid.

The following our changes made to the Bid Proposal in the project specifications.

- 1) The "Painted Pavement Markings" bid item is listed as a lump sum unit and the Contractor will be expected to apply the Painted Pavement Markings on both lifts of asphalt during construction, before the thermoplastic markings will be applied.
- 2) An alternate bid section has been added for the addition of 6' paved shoulders along the project length of Fairview Road.
- 3) An alternate bid section has been added for 2" asphalt milling along the project length of Fairview Road. The asphalt milling will be transported to an area to be used by the Jackson County Road Department.
