6. **Termination.** This Agreement will continue in effect unless terminated by either Party as provided herein below.
 - a. **Termination of the Agreement by BCMUD.** BCMUD may terminate the Agreement at any time for convenience (without cause) or for cause (due to Contractor's material breach). BCMUD may terminate the Agreement immediately following delivery of a written notice of termination to Contractor. If termination is for cause, at BCMUD's sole option, Contractor may be given time to cure such breach as specified in the notice, after which the Agreement will terminate immediately if the breach is not cured. Upon receipt of BCMUD's notice of termination, Contractor shall stop all Work immediately but, unless expressly directed in writing by BCMUD to the contrary, shall take such actions reasonably necessary for the protection and preservation of the Work. In the event of termination for cause, BCMUD may take possession of the Work site and of all materials, equipment, tools and construction equipment and machinery thereon owned by Contractor, require Contractor to assign its subcontracts to BCMUD, and may finish the Work by whatever reasonable

method BCMUD may deem expedient. Contractor shall not be entitled to any further payment except to the extent of any amount by which the Work completed or installed by Contractor prior to termination and not previously paid for by BCMUD exceeds the amount due by Contractor to BCMUD, including all damages which BCMUD is entitled to recover against Contractor for breach of the Agreement. In the event that termination is for convenience, Contractor shall be paid for (a) the Work properly executed in accordance with the Agreement prior to the effective date of termination (to the extent not previously paid to or for the benefit of Contractor) and (b) the actual, reasonable costs necessarily incurred by Contractor to protect the Work following the termination as required herein. BCMUD shall not be responsible for damages or recoveries arising from the termination of the Agreement except as expressly provided herein.

- b. **Termination of the Agreement by Contractor.** Contractor may terminate the Agreement only for cause (due to BCMUD's material breach). Contractor may deliver a written notice of termination of the Agreement to BCMUD setting forth in reasonable detail the basis for such termination and providing BCMUD with a period of not less than ten (10) calendar days to cure such default. If BCMUD fails to cure the default within the time period stated in the initial notice of termination letter, Contractor may terminate the Agreement no less than five (5) calendar days following delivery of a final notice of termination letter to BCMUD. Contractor access to the Property shall cease upon the effective termination of the Agreement; however, prior to leaving the Property, Contractor shall take such actions reasonably necessary for the protection and preservation of the Work. In the event of Contractor's termination for cause, Contractor shall be entitled to recover (a) payment for the Work properly executed in accordance with the Agreement prior to the effective date of termination (to the extent not previously paid to or for the benefit of Contractor) and (b) the actual, reasonable costs necessarily incurred by Contractor to protect the Work following the termination as required herein, demobilize Contractor's workforce, and cancel Contractor's subcontracts. BCMUD shall not be responsible for damages or recoveries arising from the termination of the Agreement except as expressly provided herein.
 - c. **Survival of Obligations following Termination.** Except as may be expressly agreed in writing by the Parties, all warranty obligations or other obligations of the Contractor to complete or repair defective Work arising under the Agreement shall survive any termination of such Agreement (other than Contractor's termination of the Agreement for cause). Further, in the event of termination for any reason and by any Party, Contractor agrees to comply with BCMUD directives regarding the return of all materials purchased by BCMUD. Contractor shall provide reasonable cooperation to BCMUD in effecting a smooth and orderly transition of all matters that were being handled by Contractor prior to termination. All records, including all documents, articles or items that may be supplied by BCMUD to Contractor, shall be and remain the sole and exclusive property of BCMUD and shall be surrendered to it upon demand (and, in any event, within five (5) days of termination). Upon the termination of the Agreement (or this Agreement) or upon the demand of BCMUD prior to termination, Contractor shall immediately deliver to BCMUD at such place or places as may be designated by it, any and all other property of BCMUD in its possession or under its control.
7. **Relationship of Parties.** The Parties understand and agree that Contractor shall provide the Services to BCMUD as a non-exclusive independent contractor, with all of its attendant rights and liabilities, and not as an agent or employee of BCMUD. Nothing in the Agreement or otherwise is intended or will be construed to create a joint venture, partnership, employment or similar relationship. Neither Contractor nor any of Contractor's employees, representatives or agents will be deemed to be employed by BCMUD or be eligible for any employee benefits from BCMUD and, except as may be required by lawful authority, BCMUD will make no deductions or payment for taxes, insurance, bonds or other sums. The name "BCMUD" may not be used by Contractor in any manner tending to give the impression that any authority has been delegated to Contractor or Agents other than that as an independent contractor. Neither Party shall have the authority to bind the other to any contract or agreement whatsoever. Nothing in the Agreement shall be interpreted as authorizing Contractor or Agents to act for BCMUD in the collection of money, extension of credit, acceptance of service of process, or to make any commitment that would bind BCMUD to any contract or agreement. Contractor has sole authority and responsibility to hire, fire and otherwise controls its employees and neither Contractor nor its employees are employees of BCMUD. Contractor acknowledges and agrees that nothing herein shall entitle or render Contractor eligible to participate in any benefits or privileges provided by BCMUD for its employees.

8. **Taxes.** Contractor agrees to timely withhold and pay all taxes and fees assessed on Contractor or required of Contractor to pay or withhold to, for, or with respect to any person in connection with or incident to the performance of the Agreement, by the United States, any state and any governmental agency, as well as unemployment compensation insurance, social security, or any other taxes upon Contractor. Contractor acknowledges that Contractor is responsible for payment of all income taxes, including estimated quarterly payments. Contractor shall pay all sales tax for taxable materials and labor or services (to the extent such labor or services are taxable) purchased by or furnished to Contractor by its subcontractors and suppliers. All subcontracts shall be separated so that no sales tax is incurred, charged or paid on non-taxable labor or services.

9. **Insurance.**

a. As an independent contractor, Contractor acknowledges that it is solely responsible for providing its own insurance coverage, including, but not limited to, unemployment compensation and workers' compensation to its employees, and that such coverage shall be maintained by Contractor in the statutory limits which are presently in effect or which may be in effect in each of the applicable jurisdictions where Contractor will perform the Work. Without limiting the foregoing, Contractor shall, at Contractor's sole cost and expense, maintain the following insurance with insurers satisfactory to BCMUD and with limits no less than those states as follows:

i. Statutory Workers Compensation Insurance (statutory coverage) and Employer's Liability insurance with limits of not less than \$500,000 per occurrence. Such policy shall be endorsed to name BCMUD as "alternate employer" to prevent Contractor's workers' compensation carrier from denying coverage based on a claim of employment status. Such alternate employer endorsement shall not imply an employer/employee relationship the Parties. Contractor hereby waives all claims and causes of action against BCMUD for any and all injuries suffered by Agents;

ii. Commercial General Liability insurance providing coverage against liability arising out of or based on any act, error or omission of Contractor or any of the Agents under this Agreement, with limits of not less than \$1,000,000 for each occurrence of bodily injury and property damage liability, \$1,000,000 general aggregate and products/completed operations coverage; and

iii. Business Automobile Liability insurance with a limit of not less than \$1,000,000 per occurrence for bodily injury and property damage liability written to cover all owned, hired and non-owned automobiles arising out of the use thereof by or on behalf of the Contractor and Agents.

b. All of the above-listed insurance must be maintained in force throughout the term of this Contract and must be written by insurance companies authorized to sell insurance where work is being performed and have an A.M. Best's rating of B++ VII or better. All insurance policies must provide that they may not be cancelled or modified without 30 days' prior written notice to Owner and that they are primary and noncontributory over any insurance that may be carried by Owner.

c. All such insurance shall be primary. All policies shall include a waiver of subrogation in favor of BCMUD, and all policies shall require at least thirty (30) days prior written notice to BCMUD of any intention to cancel, terminate or reduce coverage provided thereby. BCMUD shall be named as additional insureds on the commercial general liability and business automobile liability policies. Prior to the commencement of the Work, Contractor shall furnish to BCMUD a Certificate of Insurance, endorsements, or evidence of coverage signed by authorized representatives of the companies providing the coverage required under the terms of the Agreement. Upon request and without expense to BCMUD, Contractor shall furnish BCMUD with certified copies of said insurance policies signed by authorized representatives of the insurance companies. Failure to secure the insurance coverages, or the failure to comply fully with any of the insurance provisions of the Agreement as may be necessary to carry out the terms and provisions of the Agreement shall be deemed to be a material breach of the Agreement. The lack of insurance coverage does not reduce or limit Contractor's responsibility to indemnify BCMUD as set forth in the Agreement. Any and all deductibles and premiums associated with the above-described insurance policies shall

be assumed by, for the account of, and at the sole risk of the Contractor. BCMUD reserves the right to review the insurance coverage requirements of the Agreement. Contractor shall require similar insurance levels from its sub-contractors and other Agents.

- d. As required by Section 406.096, Texas Labor Code, Contractor hereby certifies that Contractor provides workers' compensation insurance coverage for each employee of Contractor who will be employed on the Project. Further, Contractor agrees that each subcontractor which Contractor engages to perform work on the Project will be required to provide a written certification that the subcontractor provides workers' compensation insurance coverage for each employee of the subcontractor who will be employed on the Project, and that Contractor will provide such certification to Owner before the subcontractor performs any work on the Project.

10. **Performance and Payment Bonds.** In accordance with Chapter 2253, Texas Government Code and Section 49.275 of the Texas Water Code, Contractor must provide Owner with the following: (i) a performance bond in the amount of the Contract Sum and in a form and substance, and with a surety, satisfactory to Owner prior to commencement of the Work if the Contract Sum is in excess of \$100,000; and (ii) a payment bond in the amount of the Contract Sum and in a form and substance, and with a surety, satisfactory to Owner prior to commencement of the Work if the Contract Sum is in excess of \$25,000. The Contract Sum shall be adjusted to reflect Contractor's costs to a surety in connection with furnishing such bonds.

12. **Dispute Resolution/Mediation.** The Parties agree to meet and confer in good faith on all matters of common interest or all controversies, claims, or disputes which may arise under the Agreement.
