Linda, the cost of the our "Tour of Georgia" is \$780.00 per person from the "Georgia Center for Civic Engagement" based upon 90 students for a total cost of \$70.200. That is our lowest bid per student for 90 students.

Thank you very much.

Ken

Subject: Tour Of Georgia Bid

Linda, after reviewing all four bids for our Tour of Georgia trip, we would like to use "Georgia Center for Civic Engagement," the same company we used for our Tour of Washington D. C. trip last year. Their price is our lowest bid, all details of the trip are included, and we also had a very successful trip with them last year.

Thank you very much.

Mr. MacKenzie
