Request for Proposal: **RFP118WRERPAIR - Weight Room Equipment Repairs**

Addendum # 1

Questions - Schedule A

Question 1: Row 11 references a Star Trac treadmill with serial number PL40601275. The manufacturer shows this as an invalid serial number. Please can you confirm the serial number for this machine?

Response: The serial number for this machine is either P140601275 or PI40601275. Additional information for this machine is listed below:

- Model: 6500 PRO IR
- SKU: 9-6531-SUSAP0

Questions 2: Rows 10 and 12 have duplicate serial numbers for two Star Trac treadmills. Please can you provide the correct serial numbers.

Response: The serial number for each is listed below:

- Row 10: TREN0801-U05243
- Row 12: TREN0801-U05587

Questions 3: Rows 27-29 mention the repair of a wheel for three Precor EFX 5761 machines. Please can you clarify which wheel(s) need repair for each machine?

Response: Provide a quote for repair/replacement of the following parts for each machine:

- Axle wheel
- Wheel
- Transport wheel

Questions 4: Rows 27-30 mention the repair of a rear cover for four Precor EFX 5761 machines. Please can you clarify which rear cover needs repair on each machine?

Response: The rear assembly cover of each machine requires repair or replacement. A picture of one rear assembly cover is shown in Exhibit A.

Question 5: Rows 32-33 mention the repair of link covers for two Life Fitness Cross Trainers. Please can you clarify which link cover needs repair on each machine?

Response: The entire rear cover of each machine requires repair or replacement. A picture of one rear cover is shown in Exhibit B.

Question 6: Row 33 mentions the repair of a front cover for one Life Fitness Cross Trainer. Please can you clarify which front cover needs repair?

Response: Provide a quote for repair/replacement of the following parts for each machine:

- Entire front cover
- Entire clevis cover

A picture of the damaged cover of one machine is shown in Exhibit C.

Question 7: Row 44 references a Strive Leg Press. Please can you provide a serial number and/or pictures of this machine?

Response: The only visible number on this machine is 32251, as shown in Exhibit D.

Question 8: Line 60 mentions the repair of a hand grip for a Vision T9800 Treadmill. Please can you clarify which hand grip needs repair?

Response: The left hand grip needs repair.

Question 9: Line 70 mentions the repair of upholstery for a roman chair, bench press and chest press. Please can you provide manufacturer and model number information for these repairs?

Response: The information is shown below:

- Roman Chair:
 - Make: Champion Barbell
 - Model: Unknown
- Bench Press
 - Make: Champion Barbell
 - Model: Unknown
- Chest Press
 - Make: Matrix
 - Model: Unknown

Question 10: Line 72 mentions a Magnum shoulder press. Please can you provide the model for this machine?

Response: This is a Magnum Retro Series shoulder press.

Question 11: Line 73 mentions a bicep curl. Please can you provide the name of the manufacturer?

Response: The manufacturer and model number are unknown.

Question 12: Line 81 mentions a treadmill. Please can you provide the brand, model and serial number of this treadmill?

Response: This is a Star Trac treadmill. The model and serial number are unknown.
