DESCRIPTION OF EVENT: Cartersville Middle School Eight-Grade Tour of Georgia

My recommendation for the event listed above is to the following bidder:

Name: Georgia Center for Civic Engagement

Address: 102 E. Main Street, Cartersville, Georgia 30120

In the amount of **\$875.00** per student based upon 90 students, for a total cost of **\$ 78,750.00**

(If this is not the lowest bid, please list reason for recommendation): The bids are the same and since we have had excellent customer service with the Georgia Center for Civic Engagement and they are a local company I am respectfully requesting the Georgia Center for Civic Engagement be awarded the bid.
