FOR IMMEDIATE RELEASE...

### Board of Education Meeting Highlights September 14, 2020

Cartersville City Board of Education met for their regular session on September 14, 2020 in the Cartersville High School Auditorium.

The Character Word for the month is **Responsibility**: Being accountable for what we say and do. Having a sense of duty to fulfill tasks with reliability, punctuality, dependability, and commitment.

#### Stellar Performers

The **Matthew Hill-Michael Dean HEARTS** Employee of the Month for September (Service) is **Mr. Marvin Jackson**, custodian at Cartersville Middle School. Mr. Jackson has done a phenomenal job maintaining clean facilities this year. He always makes sure every part of the building looks incredible when the students arrive. His hard work contributes to the overall learning environment in our building on a daily basis. He greets everyone with a smile. He shows the students and teachers that he cares. One nominator said, "When asked to do a million different things throughout the day, at the drop of a hat, he is always willing with a friendly and positive attitude. I want the system to know "Marvelous Marvin" is an outstanding co-worker!"

**New Frontier of Bartow County, Inc.** proudly sponsors the **Hill-Dean HEARTS** Employee of the Month Award and Marvin will receive a \$50.00 gift certificate to Appalachian Grill, along with his name being added to a perpetual plaque displayed at the Cartersville Board Office.

**Andrew Lanham** was recognized as our very first pathway completer for the Teaching as a Profession pathway at Cartersville High School. He will receive college credit as a result of completing the three-course series. Andrew served as an intern in an 8th grade Social Studies class last year. Dr. Kim Foster writes "Andrew is a respectful, intelligent, and caring young man; he leads with intention, poise, and purpose. He adds life and value to others. I am so proud of his tremendous growth, and I look forward to seeing him as a Purple Hurricane Educator".

Principals gave updates and reports on each of their schools.

During the **Business Session**, the System Financial and Utility Cost and Usage Reports for the month of July 2020 were presented and approved.

The Board approved a bid for musical instrument purchases for CMS and CHS through Taylor Music Inc., Alamo Music, and National Educational Music Company for a total cost of \$23,120.00. All items are low bid as specified and will be paid from SPLOST.
